Message from the **FOUNDER**

Dear Students/Parents,

I remember these words of former Prime minister of UK, Benjamin Disraeli, which advocates that we need better education to have better thoughts, to be better human persons, to build a better society.

I firmly believe that every human being endowed with various talents and skills is a precious gift of God. I am very pleased to bring before you the Biomentors Online, a renowned and prestigious online institution, which provides a value based wholesome quality education to qualify India's most challenging exam NEET.

I welcome all the parents and students for the new Academic Session for NEET 2025 & NEET 2026.

Biomentors Online is the Institution dedicated to student's services and excellence for their good education.

Biomentors online always appoint highly qualified and dynamic faculty which nurtures the students in best possible manner and help them to imbibe success & motivate them to work hard.

We follow commando like training that ultimately brings success in exam & discipline in life.

We are proud of our achievements which we had given in previous years, Our 15960+ students qualify the NEET examination in flaring ranks & are studying in various government medical colleges. We achieved this in just in 8 years of our journey. (2017 to till date)

We always want to make education as an affordable tool for candidate's betterment and It is always our motive and vision to develop self confidence and positive thoughts which help them to gain every success in their life later.

Biomentors online is the place where you can fulfil your dream by Enchasing your potential for success in NEET medical entrance examination.

We all know that today we are living in a fast-changing complex society, which presents before us challenges as well as opportunities. In this context it all depends on every individual how one responds to the situation with the right attitude. We work hard to make every day of learning, a special day for every student who enters the portals of Biomentors online, with a heart and mind set to grow more than yesterday.

As Swami Vivekananda said, "Truth can be stated in a thousand different ways, yet each one can be true." Education here, in Biomentors Online helps our students find that truth.

The true hallmark of that education is the one by which character is formed, strength of mind is increased, and the intellect is expanded, and by which one can stand on one's own feet. We give ample of opportunities to our students to seek out that education, discover the truth and also to remember to use it well.

I welcome you all to this great institution of competitive learning and assure you of a nurturing and caring online environment that will see all of you blossom into empowered and sensitive human beings.

Wish you all the best...!

About Biomentors

Biomentors is an online institution that helps students with NEET Exam preparation. Combining Innovative technology with interactive and holistic teaching methods, we enable students to achieve their dream of cracking one of the toughest Medical entrance exams - NEET. From our humble beginnings since 2008 (as an offline institute), We strive each year to provide affordable and top-quality education to every medical aspirant. Our team of highly experienced faculty is dedicated to guide students throughout their preparatory journey and give them a head start for their future.

Mission

At Biomentors, we dedicate ourselves to nurture and deliver the best doctor to the nation. We prepare medical aspirant on the academic front and help them cultivate solid ethics and character through discipline. Our mission is to enable students from the most remote parts of the country to access the best education and crack the NEET exam. Through cutting-edge technology and innovation, we hone the skills of young aspiring doctors and help them accomplish their goals. We are proud to educate and mould future medical warriors.

Vision

With skyrocketing coaching fees, Quality Education today seems to be a privilege of the rich. We believe that all students deserve an opportunity to receive the best education and an equal chance irrespective of their financial status. Our bold vision is to level the playing field and make high quality education affordable and available to everyone. We aim to simplify and elevate the learning experience and make NEET a reality for our students.

Commanders of Biomentors

We have to explore ourselves because we have many versions within us. We have to conquer tough times to bring brighter day.

BIMENTORS COMMAND CENTER

More than a coaching class...

Highly Disciplined NEET Classroom Training in Bhopal, Madhya Pradesh

Dear Students and Parents,

We are thrilled to announce the launch of our **exclusive offline classes for NEET** (National Eligibility cum Entrance Test) medical entrance examination preparation in the Heart of India (Madhya Pradesh) at **Bhopal**. Our meticulously designed program aims to provide students with the highest quality of classroom training, facilitated by experienced and dedicated faculty members.

Academic Spotlight

1. Highly Disciplined Classroom Environment:

Our classrooms are structured to foster a **disciplined learning environment** conducive to academic excellence. Students will benefit from focused and uninterrupted study sessions, ensuring maximum productivity.

2. Experienced Faculties:

Our faculty members are seasoned professionals with extensive experience in preparing students for NEET. They possess a deep understanding of the exam pattern, syllabus, and effective teaching methodologies to guide students through every aspect of their preparation.

3. Comprehensive Curriculum:

Our curriculum is carefully crafted to cover all topics and concepts essential for NEET preparation. Through systematic coverage of the syllabus, supplemented by comprehensive study material and practice tests, students will gain a thorough understanding of the subjects.

4. Individual Attention:

We recognize the unique learning needs of each student and strive to provide personalized attention to ensure their academic growth. We have doubt solving sessions, counsellors & guardian faculties to help the students which foster a supportive learning environment.

5. Regular Assessments and Feedback:

Regular assessments and feedback sessions are integral to our program. Through continuous evaluation of student progress, we identify areas for improvement and provide timely feedback to help students enhance their performance. **We don't believe in comparison among students, we believe in competition within ourselves.** We will try to bring better version of yourselves.

Location:

Our offline classes will be conducted at **Biomentors Command Center** which is centrally located in **Bhopal** for convenient access.

Bhopal, the capital city of Madhya Pradesh, offers an ideal environment for students preparing for the NEET exam. Known for its educational institutions and conducive atmosphere, Bhopal provides several advantages to NEET aspirants.

Bhopal boasts of a peaceful and studious ambiance, which is essential for focused preparation. With relatively lower distractions compared to larger metropolitan cities, students can devote more time to their studies without compromising on the quality of education.

Moreover, Bhopal's affordable cost of living makes it an attractive destination for students from various socio-economic backgrounds. It is 19% less costlier as compare to Kota (Rajasthan). The availability of affordable accommodation and resources ensures that students can comfortably pursue their NEET preparation without financial burden.

Furthermore, the city's strategic location in central India offers easy accessibility to other major cities, making it convenient for students coming from different parts of the country.

Overall, with its excellent educational infrastructure, tranquil environment, affordability, and accessibility, Bhopal emerges as an excellent choice for students aspiring to crack the NEET exam.

How to Reach:

The **nearest railway station** to the Biomentors Command Center is **Rani Kamlapati railway station**, (formerly known as Habibganj railway station) with a distance of 6 kilometers from Bhopal Junction. From Rani Kamlapati railway station, the Command Center is 5 kilometers away.

The **closest airport** to the Command Center is **Raja Bhoj airport** in Bhopal, which is situated 24 kilometers away.

Biomentors is the world's best command center and I am totally dependent on Biomentors. I am speechless about its teaching style specially Geetendra sir. Every member of the team working hard especially all teachers. I am very thankful to God that I am here. Thank you so much sir to provide us best command center.

Aamira

when I failed in my 1st attempt in NEET i feel like I'm not able to be a doctor in life but when I connect with Geetendra sir ,Sanjay sir & Amar sir ... I feel like I'm not empty .. I've my own existence ... & all I want right now is to be selected in a best medical college & I'll definitely give uhh *guru dakshina* in the form of success. Thank us my teacher's & my commanders...

Kartik Kumar

I had joined the Biomentors from 11th class. Since then I have not had to go to any other place. All the teachers here teach so well that there is no need for anything else, it is really the best study platform in India. It is my privilege that I got a chance to study with such teachers. Now I want to clear my neet and give my Gurudakshina to the biomentors.

I you follow all the instructions you will be a best doctor in our country.

Raviraj Singh

I am with biomentors since last year.....and i have obeserved that biomentors is best and most dedicated institute for neet. so we can blindly follow the biomentors online and observe the magic .

Jyotshna Singh

I am proud to be part of biomentor family and today I am Jyotshna Singh take the oath that preparing for medical is my top duty and I will be honest towards it, I will not do any such work which will hurt parents and my teacher and I will get away from my destination. I will obey my commandos commander faithfully and work hard throughout the year and I will reach relax on the after I reach my goal.

Testimonial

Amarjeet Singh Rajput

Biomentors Online is India's best online institute for NEET aspirants who work hard for the selection of its commandos. You will find such institutes very rarely in the whole of India, Who is providing high quality education to the students of all sections in the country with full honesty and keeping away all his commercial greeds.....!!!!!! I would like to say once again that Biomentors is the best institute in India

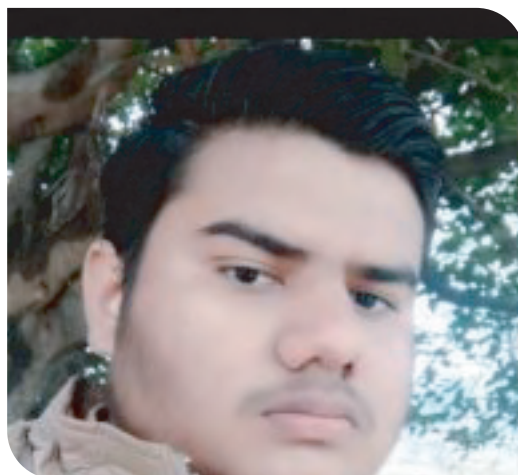

Komal Tiwari

I am proud to be part of biomentors .dr . geetendra sir and sanjay sir amar sir sabhi mere inspiration h .sabhi sir humare liye bahut mahnat karte h .yaha padhai ke sath bhi achhe sanskar bhi diye jate .mai ise ek online platform nhi samjhti yah ek gurukul h jaha hume achhi shiksha di jati hai.

Himmat Singh

Biomentors is a family & cares every child. hard working team. Best institute in INDIA for NEET.
